FOR HER FUTURE

YOU'RE INVITED TO MAKE A DIFFERENCE AT OUR

NON-GALA GALA

Dear Friend,

Like many, we have weathered a season of unexpected changes and challenges. Now as we begin a new chapter, we are excited to welcome you to celebrate a season of hope and community at our For Her Future: Non-Gala Gala, taking place on September 30th from 6pm to 10pm at The Veranda.

We'd love for you to join us as we look to the future of our work empowering marginalized women to move beyond trauma and transform their lives. In past years, this event has provided nearly half of the operating revenue for our programs. This year, we remain committed to our mission by celebrating innovative advancements we've made such as opening our first community center and launching our individual advocacy program - Forward. There will also be opportunities to "sip and shop" works from local female makers, enjoy live music and dancing, hear client testimonials, and more!

We also invite you to consider becoming an event sponsor at one of our various giving levels. Your sponsorship directly empowers at-risk youth and women making the tough transition out of sexual exploitation and/or trafficking by equipping them with life-changing resources. Through our collective efforts, marginalized women have found stable housing, enrolled in educational programs, gained back custody of their children, and started earning a viable income. You help women discover their worth and hope for their future when you become an event sponsor.

Please see the giving levels and benefits enclosed to see how you can best support For Her. If you have any questions about sponsorship or would like more information about our programs, please contact Kristin Moras, Director of Development, at 210-201-0066 ext. 3 or kristin@iamforher.org.

With hope and gratitude,

Kayla Carter-Moilanen
